## Foreword

York Road High School, 1965--these two represent the name of a beloved institution and a year which symbolizes a decade of rapid growth for our young school and the end of a memorable epoch in our lives.

For you, our readers, we, the Class of '65, have endeavored to capture a phase of that decade and to portray vivid moments of our sojourn in Wapitiland. The challenge of academics, the joy in competition and association, the emergence of personal and social values are all preserved in this storehouse of memories. Our achievements are recorded here for posterity.

Our deepest appreciation is extended to our advisers for their unceasing work and advice, to our principals and faculty for their guidance and instruction, to our parents for their inimitable faith, to our supporters for their contributions, and to all for unselfish and patient understanding.

It is our sincere hope that this edition of THE WAPITI will serve as a constant and happy reminder of all of these entities as we pictorially present "Traveling through Wapitiland, 1965."

A northwest view of our campus showing the gymnasium and a portion of classroom building B.

Our victory bell is a dominant feature of our student center.

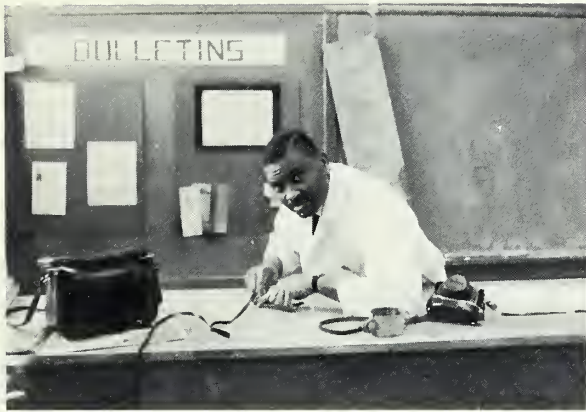

You are now within the portals of York Road High School, affectionately called Wapitiland. As you proceed on your journey, you see structures wherein our students are prepared physically, mentally, and socially to cope with the struggles and strifes of everyday life.

York Road is also a proving ground for some of the finest athletes in the world. When our athletes are victorious in battle, a hearty clanging and clanging is heard throughout Wapitiland . . . the Victory Bell.

Located in the southern part of our campus is our vocational building which houses our music department, art, home economics, and industrial arts departments.

This is our Mr. Lea, caught unaware during a busy moment.

There's nothing like conversing with old friends between classes!

These seniors engage in a typical Wapiti "folk-moot" before scampering off to class.

Many lasting friendships are made here in this favorite gathering spot. At last, a chance to relax, to "chitchat" and find out just what is happening.

The resplendence and precision of our band makes our hearts soar as we watch them perform in the annual carousel parade.

The development of our student body is constant and diverse. Within the realms of Wapitiland are facilities for each type of development; consequently, the progressive strides are noticeable on and off campus.

We enjoy the challenge of the unknown. The experiments we do today may prove to be the gateway for future scientists and a better world tomorrow.

We Wapitis would rather fight than NOT eat!!

We include in our acquisition of knowledge a time for reflecting and for sharing, a time for developing one's creativity, and a time for appreciating that which tends to make life beautiful.

Christmas--A beautiful Christmas scene and inspiring melodious music do their part to imbue us with the true spirit of the season.

Thanksgiving--A time for us to count our blessings and then to share with others.

"Falling into fashion" means so much when we've actually helped the fashions become realities.

We learn early to appreciate beauty. We take pride in our princess on parade.

## *Dedication*

To you, Mrs. Mary Harper, we dedicate our yearbook. Your position on the faculty has been an immense credit to York Road High School. Your guidance through the years has contributed greatly toward our emotional and educational development. Each student of the Class of '65 owes to you much gratitude. Because of these specified qualities and many others, we dedicate to you, Mrs. Harper, the 1965 edition of THE WAPITI.

# ADMINISTRATION

Mr. Gerson L. Stroud  
PRINCIPAL

## *The Principal's Message*

This must, indeed, be a pleasant time for those of you who are now graduating from York Road High School. Your class is among the finest graduating classes that I have had the pleasure of knowing, and I am quite proud to have been associated with you. Congratulations to each member of the Class of 1965.

You should realize, however, that these past three years were meant not to educate you, but to provide you with the means for educating yourselves, for life itself is a lengthy process of education.

Take advantage of every opportunity, for one of life's greatest lessons is the recognition of opportunity when it comes.

If all of you go on to become distinguished within yourselves, if each of you demand answers to questions that must be asked regardless of the consequences, if each of you speak up when you see injustice and man's inhumanity to man, and if each of you become wise enough to know true humility in your lifetime, then we who knew and taught you in your younger days can ask for no greater reward.

With best wishes,

*Gerson L. Stroud*

### English III

American history students are enlightened as they study America's economic system, its great leaders, and the democratic principles on which our country is structured.

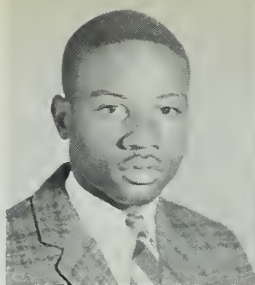

A Class in U. S. History

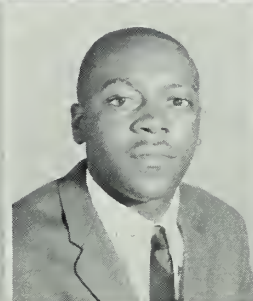

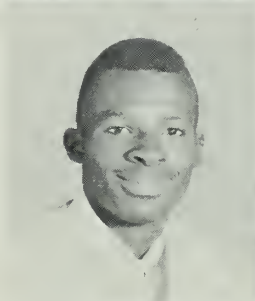

Students find many parallels between the study of American literature and American history. Studying such writers as Franklin, Thoreau, Twain, Wilder, and Hemingway--along with many others--eleventh graders are inspired to continue the development of their writing, speaking, and reading skills.

... AND THE CLASSES CONTINUE ...

Physical Education in Action!

Both male and female enjoy physical education classes. Good sportsmanship, physical fitness, game fundamentals--all add up to fun galore!!

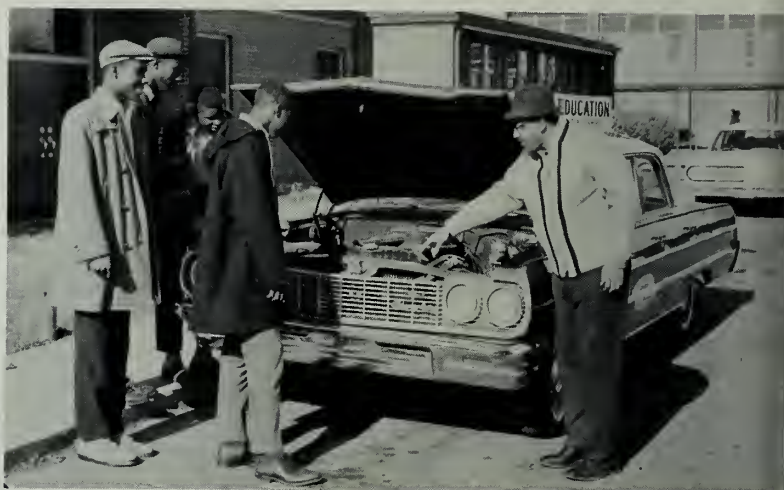

From the ancient and classical ages of man to the present age with its many advances and conflicts . . . This is World history--a general study of the progress of mankind.

A Class in World History.

Driver Education in Practice!

Driver Education students are eager to learn the fundamentals of driving. Good vision, common sense and skill are requisites for succeeding. These students also learn the parts and proper care of the car.

# *Journalism and Dramatics*

An unusual combination, but an effective one in this instance . . .  
When these students are not preparing an edition of the school newspaper,  
THE ANTLER, they concentrate on dramatic productions.

Phase I: Direct experiences--Publication and evaluation of THE ANTLER

Phase II: Vicarious experiences--

Kays Gary gives pointers to prospective journalists and shares his experiences with the class.

Phase III: Dramatics--

An opportunity to delve into the comic and tragic sides of life through interpreting and portraying characters and their actions.

Adviser-Mrs. G. B. Durante

## *The Senior Wapiti Lineup*

### *The Coaching Staff*

LEFT TO RIGHT: Willie Little, Backfield Coach; Thomas Abrams, End Coach; Charles Sanders, Line Coach; F. L. Roberts, Head Coach.

The progressive York Road Wapitis, after playing three years in the 2A athletic division, made their debut in the Western 4A Conference during the fall of '64.

The Wapitis placed sixth in the conference, winning three and losing five games. These defenders of Wapitiland rolled over such teams as William Penn, Barr Street, and Torrence Lytle, while losing to teams such as the Second Ward Tigers, '63 State Champions, by a score of 12-6 and the '64 Western 4A Champions, the Carver Yellow Jackets.

These mighty Wapitis placed four players, Charlie Hopkins, Billy Waiters, Robert Massey, and Eddie Brently, on the All-County team during their first year in 4A competition. Charlie Hopkins also represented York Road in the Shrine Youth Bowl game.

Although the senior Wapiti standouts will be missed, with Herman Young, Joseph Talley, Robert Massey, Alan McManus, and Eddie Brently returning, the team should be a strong contender for the championship of the '65 season. MAY THE MIGHTY AND PROGRESSIVE WAPITIS CONTINUE THIS UPWARD SURGE!!

UNDEFEATED YORK ROAD WINS STATE TRACK TITLE

Athletic Department  
News Release  
Spring, 1964

The "Wapiti" cindermen took an unblemished seasonal track record to the N. C. High School Athletic Conference's State Track and Field Meet and, as expected by local fans, emerged victoriously. With disappointing performances by teammates in the 880 yd. run and one mile run, the "Wapitis" had to fight desperately to overcome their point deficiency that came about as the result of the fine performances by the defending champions, Hillside High School of Durham, and Ligon High School of Raleigh.

The last event of the meet, the one mile relay, was the determining factor in the ultimate victory for the "Wapitis." It was during this race that Harding Kirkley, later voted, unanimously, the "Most Outstanding Track Athlete," brought the fans to their feet as he came from thirty yards

behind to catch and pass the forerunner from Hillside, and cross the tape first. This performance gave York Road first place honors and five much needed points to the "Wapitis" for a slim 38 1/2 to 38 victory over runner-up Ligon High School of Raleigh.

A note of interest to those loyal "Wapiti" fans who are concerned with the growth of York Road's athletic program . . . This is the first time in twelve years that the State Track and Field Championship has gone to a school other than Hillside High School of Durham, North Carolina. Hats off to York Road. Keep up the good work. Excellence belongs to the "Wapitis."

Mr. Calvin Wallace is the coach for the optimistic 1965 track team.

# *Our Promising Baseball Team*

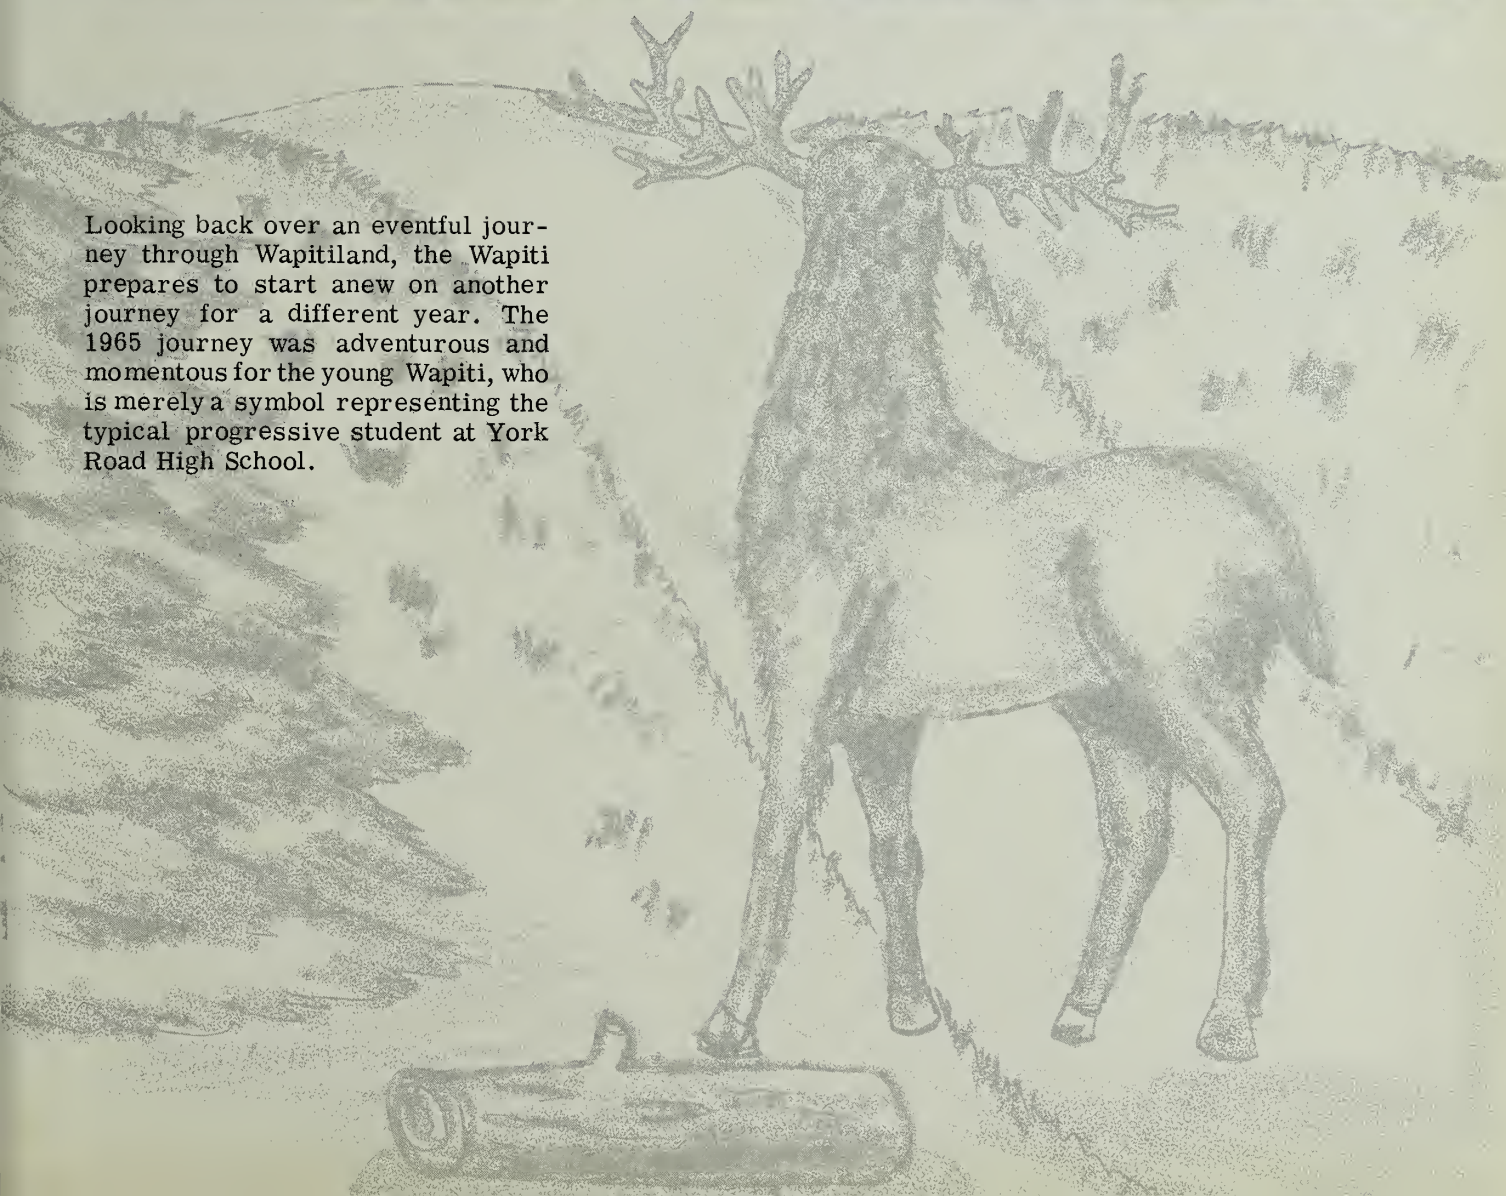

Coach - Mr. Charles Smalls

Looking back over an eventful journey through Wapitiland, the Wapiti prepares to start anew on another journey for a different year. The 1965 journey was adventurous and momentous for the young Wapiti, who is merely a symbol representing the typical progressive student at York Road High School.

And now, we the graduating class of 1965  
depart from the realms of Wapitiland to  
continue our travels elsewhere. Wherever  
we go, whatever we do, we shall never forget our experiences  
at York Road. Our pledge will ever be those qualities set  
forth in . . .

### *Our Alma Mater*

Hail! Dear York Road High School  
We pledge ourselves to thee,  
Our loyalty will make your light  
Supreme wher'er we be;  
Hail! Dear Alma Mater  
We sing in essence clear  
Of love, respect and honor  
Renewed each glorious year.

Hail! Dear York Road High School  
We love thy hallowed name,  
We strive to hold thy banner high  
And scatter forth thy fame;  
Onward and upward  
Lead us in paths of light,  
O, set thou high our goals  
And insure our future bright.

NOW IT'S PEPSI!

FOR THOSE WHO THINK YOUNG

Good lighting leads  
to better grades

When it's easier for young  
folks to see, it's easier for them  
to learn. For proper study  
lighting use at least a 150-watt  
bulb. Keep work surfaces free  
of shadows or glare.
